**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

It was extremely difficult and expensive to get internet on our farm in rural Rockbridge County, VA. We can not afford higher rates and very much need our local Broadband provider to have best possible access to service. Please support continued completion in internet for those of us in rural communities.

Thank you.
